All park users are invited to attend the meeting as well, of course, as all existing - and potential - members of the Friends.

Also, if you haven't had a chance to complete a brief survey on family activities and services that we are considering in partnership with the Council, please do so at: <http://www.surveymonkey.com/s/P82V37R>. Thanks to so many of you who have already provided great input.

We look forward to seeing you on the 16th!
